

STM Weekly Round Up

w/e 13.01.23

Dear Parents and Carers,

This week's round up includes some important information regarding recording your child's absence and a new out of hours number for Hopscotch, as well as some new silverware and a visit from a soldier! So please read on to find out more.

Pupil Absence email address

We now have a dedicated pupil absence inbox, if you are unable to call the school office to report your child's absence we would like you to please email the following address:

absence@stmprimary.org You must include your child's full name, year group and the reason for the absence. Please can you ensure this is done before 10am.

Hopscotch Mobile Number

We are pleased to let you know that we now have a direct number for our breakfast and afterschool Hopscotch club. You can use this number **during hopscotch hours only** to contact the staff if there are any issues and/or once the school office is closed it can be used to notify them when you are at the front office if there is no-one available. The number is: **07561 251611**

A soldier visits Yr2!

As part of Year 2's History topic on World War 1 they had the opportunity to meet a serving soldier. They had prepared questions for our visitor who had served in Kenya, Poland and Afghanistan. He was impressed with the questions and said he would love to come and visit us again. It was brilliant for the children to hear first-hand experiences.

Another win at the Rugby Tournament!

We are so proud of our Year 3 and 4 Rugby teams that battled cold and rainy conditions this week to take part in the Greenwich cup. Both teams demonstrated great skill and sportsmanship. Huge well done to the Year 4 team who won the cup! Another piece of silverware to add to our growing collection!

And finally...

Up coming dates
