

# STM Weekly Round Up

w/e 14.07.23

Dear Parents and Carers,

This will be our last Weekly Round up of the year! The purpose behind them has been to keep you up to date with all the wonderful things going on at our school. I hope these short newsletters have been helpful, kept you well informed and a good opportunity for you to put future dates in your diaries. These of course have been in addition to the termly newsletters that are printed and put in bags at the end of each term.

## Our Musical Theatre Club performs Aladdin!

Our Musical theatre club performed not once, not twice but 3 times to different audiences over the last week and wow what a fantastic job they did! Well done to all the children involved and to Mrs Jarvis who coordinated the show and run the club over the last 3 terms.

## Year 6 Science Festival

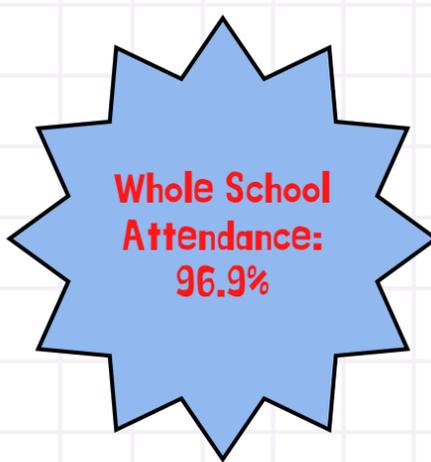

Today the school has been fully immersed in science investigations. Year 6 have held a day of exciting experiments that all the classes have experienced. From optical illusions, conducting electricity, amazing magic and chemical reactions! Great fun (and mess!) was had by all.

## This week's attendance figures -

Amazing effort this week! And they've done it for the third week in a row - Well done Year 1 and Year 5!
