

# STM Weekly Round Up

w/e 29.09.23

Dear Parents and Carers,

Thank you to all of you that attended our meet the teacher week. At the start of a new school year we feel it is important that you have the opportunity to meet your child's class teacher and hear all about the expectations and learning that will be taking place. Please remember if you did not have the opportunity to come, your child's class teacher will be more than happy to arrange a time to see you and answer any questions.

In assembly this week we announced our new school leaders for the year. Our elected school councillors and house captains are pictured below. We look forward to seeing them thrive in their new roles.

## 'Bike it Scoot it' Week

Thank you to everyone who took part in this week's bike it scoot it week. Well done to those of you that received the golden lock and a special well done to the children who took part in Bling your bike Thursday - they looked fabulous. Huge congratulations to our overall winners from reception and year 4.

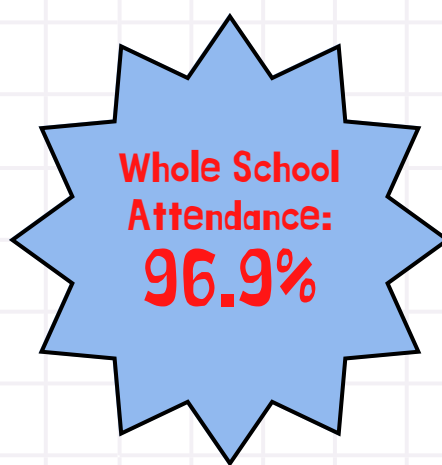

## Year 1 Visit Woodlands Farm

Year 1 had a fantastic trip to the farm last week. The class had an opportunity to explore a working farm, go on a scavenger hunt and do some pond dipping. They also met the farm's newest members - 20 piglets! Great fun was had by all - especially on the bus when the driver had them all singing Old McDonald had a farm!
