

STM Weekly Round Up

w/e 13.10.23

Dear Parents and Carers,

Today the whole school joined as one community and celebrated 'Brighten up' for harvest, and wow were our children bright - which was lovely to see on such a grey and wet morning! Thank you to everyone who helped us raise £190 to support CAFOD in their important mission to help those less fortunate than ourselves. The school had a special assembly and workshops to learn more about the work CAFOD do.

World Mental Health Day

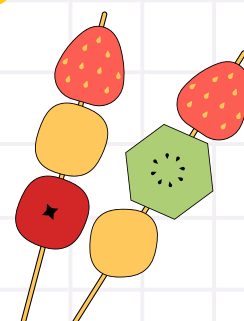

On Tuesday the children had an opportunity to talk about mental health and learn the importance of not just keeping our physical body healthy but our mental health matters too. At school we promote '3 for me' this means that everyone of our pupils have nominated 3 adults they feel they can talk to in the school if they needed to - why not ask your child who their '3 for me' are.

😊 Year 6 Fundraiser - please support 😊

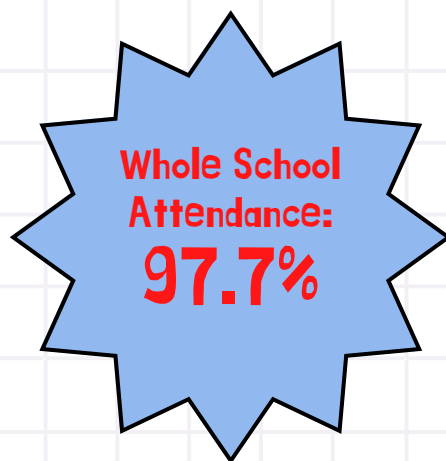

Next Thursday after school year 6 will be selling doughnuts and fruit skewers to parents and children. We would love your support as they are raising money for the cost of the school journey coach. As you can appreciate the cost of everything is rising and this is something - initiated by the children - to help keep the costs down for parents. Thank you in advance for your support.
