

Stars of the Week at St Thomas More Primary

Week beginning	Monday 13 th November 2023
Reception 	Ned - for demonstrating some very imaginative dance moves in his first dance lesson. Well done!
Year 1 	Teddi-Mae - for the enthusiasm shown during our science experiment and working hard when recording the results. We found out that plastic and metal would be suitable materials for Teddy's umbrella. Poor Teddy got very wet in the experiment as some materials were absorbent!
Year 2 	Jesse - for writing an excellent letter in Science about the importance of exercise, why it is good for our bodies and what happens to our bodies if we do not exercise.
Year 3 	Marcel - for all his hard work in English and for writing a fantastic diary entry.
Year 4 	Isabella D - for developing her confidence when approaching written methods for addition and subtraction.
Year 5 	Oliver S - for showing great maturity and responsibility during lessons, and showing what a great role model looks like during PE. Keep it up!
Year 6 	Antonia - for consistently producing excellent written work in her English, which is always beautifully presented.
