

STM Weekly Round Up

w/e 02.02.24

Dear Parents and Carers,

This week we started early with our Lunar New Year celebrations. The pupils have been introduced to this in assemblies and the hall currently looks like China Town! Pupils from Reception to Year 6 took part in traditional dances. Today the school is taking part in a whole school homework project, finding out more about Lunar New Year with their families and showcasing this through many forms to share with the school next week.

Road Safety Workshops

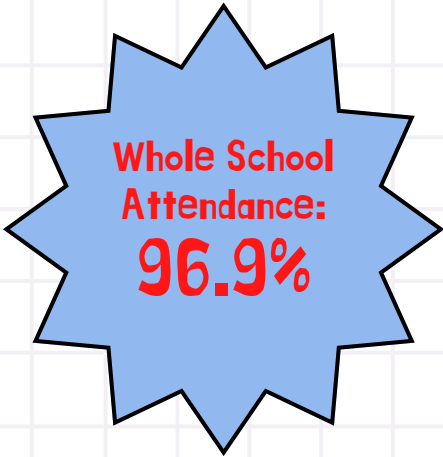

As well as learning traditional dances this week, the classes have had a reminder about how to keep safe on our streets.

If you haven't already, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school. Get the app or register now (<https://studybugs.com/about/parents>)
