

# *St Thomas More Pilgrimage Journey*

## *What is a pilgrimage?*

*A pilgrimage is a journey religious people take to a holy place or a place of religious significance. Pilgrimage can be a physical journey but it can also represent an individual's journey of faith.*

## *Summer holiday task*

*The summer break provides you with an opportunity for you to go on your own personal pilgrimage. We would like you to think about a special place that you could visit. This could be a church or holy place somewhere locally, within the UK or in another country.*

*If you could then take a picture or write a short piece about your pilgrimage visit and bring into school.*

*We will then display all the work in school and celebrate in assembly.*

*Please bring your summer pilgrimage project work into school in September, we look forward to seeing all your hard work.*
