

STM Weekly Round Up

w/e 10.10.25

Dear Parents and Carers,

We would like to say a huge thank you to everyone who took part in our World Mental Health Day event by wearing something yellow and donating to the Young Minds charity. It was wonderful to see our school filled with bright yellow and smiles of positivity, showing that together we can make a difference in raising awareness and supporting young people's mental health. Your kindness and generosity helps ensure that every young person gets the support they need when they need it most, thank you for helping to raise £130. Art club members proudly wore their yellow badges that they made this week with the help of Mrs Nguyen and Mrs Kent and classes have spent time during their PSHE lessons talking about emotions and how they can look after their well-being. Thank you again for supporting this event by helping others but also in showing our children the importance of compassion, community and looking after our mental well-being.

World Food Day 16/10/25

Next week we will be celebrating World Food Day. Every child deserves to grow up well-nourished but for millions, hunger is an everyday reality. On this day we are asking that every child brings in an item for our local food bank. We will also be celebrating the fact that we are blessed to have a hot meal at school everyday. On Thursday we will be having jerk chicken, jollof rice, salad and plantain with pineapple and mango for dessert! Our local foodbank has urgently expressed a need for: essential toiletries, tins of fish, tins of meat, sponge puddings and jam. Please ensure the food has a good expiry date. Thank you in advance for your generosity.

St Theresa's Feast Day

To commemorate St Theresa's Feast day Year 2 attended Mass, led by Father Richard at our church. We each brought a rose which was blessed and came back to school with us and are now displayed on our prayer table. The class spent the day talking about St Theresa and her 'Little Way'. Leo said 'St Theresa reminds me to be kind to everyone' and JJ said 'I trust God just like St Theresa did'.

Blackheath Rugby Club

Last Saturday, 15 year 4 and 5 pupils attended a training session and played a match with St Mary's at Blackheath Rugby Club. Everyone had a brilliant afternoon and improved their rugby skills. They even got to form a Guard of Honour for the Blackheath 1st team to welcome them on to the pitch. Many thanks to all those pupils and their parents for bringing them along. School rugby clubs are Mondays KS1 and Wednesday KS2 if numbers do not increase we are looking at having to cancel them so please do sign up! Blackheath rugby club are offering FREE training for 4 weeks at Hervey Road for those thinking of joining their club. Sundays 10-12, just turn up!

Celebrating Achievement

An exciting day was had by Lelia last weekend as she along with 873 others took part in a Guinness World to break the record for the most people dressed as screen characters!

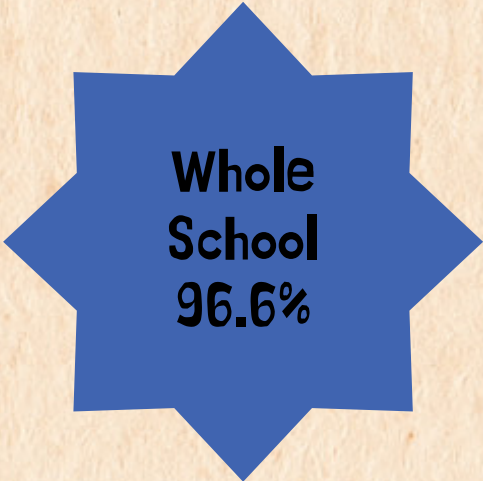

Coding Club

We are continuing with our successful coding club from last year after parent requests and are sad to report the uptake has not been as popular, please do sign up to this club as the numbers at the moment may mean it will no longer be able to run.

Weekly Attendance Figures - Congratulations Years 2 & 4 !

Reception Class	92.5%
