Following our analysis, we have set out three Equality Objectives in order to meet the Equality Act requirements, these are:

Equality Objective 1

To ensure that our staff have the appropriate knowledge and training about good equalities practice. We will do this by:

- Ensuring that our curriculum is diverse and accessible to all
- Ensure that our behaviour management is fair and equal and that we can identify underachievement in all groups.

Equality Objective 2

To ensure that our curriculum reflects the rich diversities of the UK, our local community and of St Thomas More in order to meet the needs of our children irrespective of race, gender, disability, sexual orientation and religion.

We will do this by:

- Ensuring topics and resources used reflect diversity
- Regularly reviewing and monitoring the curriculum to ensure that topics and resources are up to date
- Ensuring that all children are accessing this diverse curriculum through high expectations and high-quality teaching to enable children to meet their full potential

Equality Objective 3

To work towards closing the attainment gap at greater depth in English and maths.

We will do this by:

- Ensuring all staff have the necessary information, training and resources to implement high quality lessons
- Regularly monitoring attainment through analysing data and tracking pupil progress
- Ensuring that appropriate early interventions are put in place where underachievement is identified

The Governing Body will monitor progress on all Equality Objectives.
