

STM Weekly Round Up

w/e 16.01.26

Dear Parents and Carers,

At our school we believe school trips play a vital role in supporting children's learning and development. These visits help bring learning to life, build confidence and create memorable experiences that children talk about way after the event.

We would like to remind parents that school trips cannot go ahead without sufficient parent support. This includes giving consent as well volunteering to support the trip. Unfortunately, if we do not receive enough support, we may have no choice but to cancel a trip, which can be disappointing for both children and staff.

To help families plan ahead, we have already booked a number of trips this academic year and below is a list of these dates and the year groups attending them. It is wonderful to have parents supporting our trips and the children love having a family member there. We would also like parents to consider supporting a trip even if your own child is not in that particular year group if you are happy to do so.

Thank you for your continued support, working together helps ensure that trips can go ahead safely and successfully for everyone.

30 th January	Team of Yr5&6 Swimming Gala	10 th June	Practise Sports Day sessions - KS2
6 th February	Year 3 Thames Barrier	16 th June	Year 3 Eltham Palace

26 th March	Year 4 Tower of London	1 st July	Whole School - Sports day Sutcliffe Park

If any additional trips are booked we will let you know as soon as possible

Excitement as Reception bake bread!

As part of Reception class's Traditional Tales topic, the children made bread just like the Little Red Hen. They became bakers for the week and learnt all about how bread is made and the ingredients needed. Yesterday they made bread, the lovely smell of it baking filled the school and I am told it tasted yummy too! Well done Reception 😊

National Year of Reading

2026 has been declared the National Year of reading and we are proudly supporting it. This national initiative is designed to encourage a love of reading and to highlight the vital role it plays in children's learning, development and well being. Throughout the year we will be promoting reading in a variety of ways so please do look out for those. We kindly ask for your continued support by ensuring your child is reading at home every night. Even a short amount of reading each day can make a significant difference.

Weekly Attendance Figures - Congratulations Years 2 &3!

Reception Class	96.5%
Year 1	91.3%
Year 2	98.1%
Year 3	98.8%
