

# STM Weekly Round Up

w/e 30.01.26

Dear Parents and Carers,

Thank you to the Year 2 parents for coming to see the class assembly this morning. The children were very excited to know they had an audience to perform to! It was also lovely to invite parents up to class and have them spend time reading and learning about life in Year 2. Thank you for your attendance.

Parents please do look back at the Christmas newsletter and our upcoming dates section for the next sharing assemblies. Next week we are inviting the Reception parents. The assembly starts at 9.15am.

Can we also remind you, if you haven't done already, please do sign up for our National Story Telling week where we are asking you to volunteer 30mins of your time to come and hear our children read. The booking form was emailed to you this week.

## Year 4 Trip to Greenwich Park

As part of their Geography learning Year 4 visited Greenwich Park and had an exciting experience standing on the Prime Meridian line. They placed one foot in the Eastern Hemisphere and the other in the Western Hemisphere. Even the rain didn't stop them from making the most of their learning and having a great day.

## Published Poets

Congratulations to these Year 6 girls who have been successful in having their poetry published after entering the Young Writers competition. Their poems are published alongside other young writers from up and down the country. A copy of the book is proudly displayed in our school library! Well done girls, we are looking forward to seeing you continue to write amazing poetry and stories in the future.

## Super Swimmers!

Congratulations to our Yr5/6 swimmers who participated in the Greenwich Swimming Gala today. We are so proud of their achievements and the races they won! Well done

## Year 3 Parents - future date
