

STM Weekly Round Up

w/e 06.02.26

Dear Parents and Carers,

Thank you to everyone that has helped raise the profile of reading this week. We have celebrated National Story Telling week in many ways. Thank you so much to the parents that gave their time to hear our children read, it really is very much appreciated. It was lovely to see the children excited about reading with new people. I also had the opportunity to watch Year 6 perform poems they had written based on their class text - The Boy in the Striped Pyjamas. The poems were very thought provoking and allowed us to reflect on this terribly sad time in history. Their use of emotive language and powerful imagery added to the sombre setting on which they were based - well done Year 6.

To follow on the theme of reading, the school council met this week to discuss how we can engage everyone this year with reading more! Please do look out for things coming up later in the term.

Children's Mental Health Week 9th-15th Feb

Place2Be's official Mental Health Week starts on Monday 9th February and the theme this year is 'This is my Place'. It's aim is to support children and young people feel they belong. In school we will be focusing on emotional well being and helping the children to understand the importance of feeling safe, valued and supported. The theme will encourage children to reflect on the places, people and activities that help them feel a sense of belonging.

Reception visit the local Fire Station!

Reception have had a busy week, not only did they perform an amazing class assembly today, they also had great fun at the Fire Station on Wednesday. They spent time talking to fire fighters, going on the truck and using the water hose!

PTA Krispy Kreme Sale - Friday 13th February

The PTA will be selling Krispy Kreme Doughnuts for £1 on the playground after school at 3.30pm. Please do come and pick up a tasty treat and help support raising money for our school. Thank you.

Election for Parent Governor

We would like to let you know that an opportunity will soon be available for a parent to join the Governing Board of our school.

Our Governing Board plays an important role in supporting the school's leadership, helping shape strategic direction of the school

and ensuring that every child receives the best possible education.

Having parent representation is a valuable part of this work.

Further details about this role will be shared after the half term break, thank you for your continued support and we look forward to

sharing more information with you soon.
