

# STM Weekly Round Up

w/e 27.02.26

Dear Parents and Carers,

Welcome back to the second half of the spring term. We hope you and your families had a restful and enjoyable break. Although this half term is a shorter one, it promises to be very busy and packed with exciting learning opportunities, events and activities for our pupils.

Yesterday you will have received notification of our parent meetings and may have noticed we have made a slight adjustment. Parent meetings will now be held over two evenings (dates at the bottom of this letter) in order to better accommodate our working parents and provide greater flexibility for our families to attend. We hope this change will make it easier for everyone to engage in these important conversations about your child's progress.

## Our choir sing at Young Voices 2026

We would like to take a moment to celebrate our wonderful school choir who performed at Young Voices at the O2 arena this week, a truly amazing experience for our pupils and one they will remember for many years to come! The children represented our school with such enthusiasm, confidence and pride. They thoroughly enjoyed being part of such a large and inspiring event alongside thousands of other children, an added bonus was their amazing seats this year - right in front of the musicians! A big thank you also to Miss McGill for coordinating the trip along with Mrs Nguyen and thank you to the parents that came to support the choir. We recognise it was a very late night for everyone involved and there were certainly some weary faces the following day - not just the staff! But the smiles, excitement and sense of achievement made it worthwhile.

## Year 6 SATs Boosters

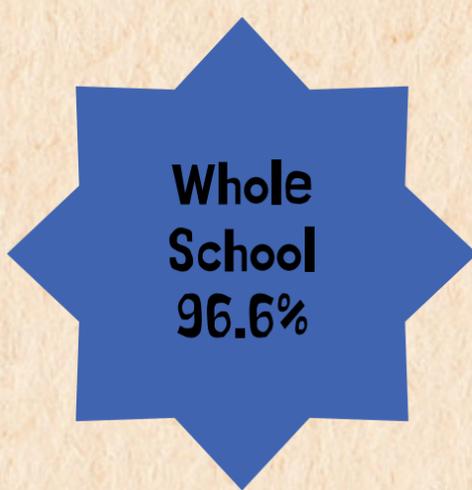

A reminder to Y6 parents about the letter you received yesterday regarding morning booster sessions in preparation for the KS2 statutory tests. They will be starting next Tuesday at 8.15am and will run every Tuesday, Wednesday and Thursday this half term.

## World Book Day 05.03.26

We are excited to remind you about World Book Day next Thursday. Children are invited to come to school dressed as their favourite book character. Costumes do not need to be elaborate or expensive - simple, creative ideas are absolutely welcome!
