

STM Weekly Round Up

w/e 20.03.26

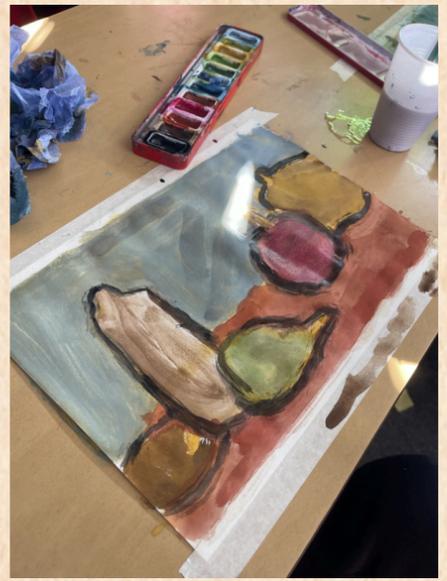

Dear Parents and Carers,

Thank you for taking the time to attend our parent meetings over the last two weeks. We value the opportunity to meet with you, discuss your child's progress and strengthen the partnership between home and school. We would also like to thank you for completing our questionnaire. Your feedback is incredibly important to us and helps us reflect on our practice and continue to improve the experience we provide for all pupils and families.

French Culture Day

Lots of fun was had yesterday, not only did the children look great dressed in red, white and blue but children across the school produced some amazing pieces of artwork inspired by French artists. They also tucked into a French inspired lunch menu and Year 6 discovered they actually liked the French delicacy escargots - snails!!

Inventors Club

On Tuesday our mini inventors had a chance to build bionic hands. A construction they made from scratch that was able to pick things up by just pulling the right components to make the 'fingers' work. The team that run Inventors will be in next week to speak to all the children about the amazing things they get to build, we would love to see more of our children take up this extra curricular activity.

Comic Relief - Red Nose Day

Thank you to everyone this week who bought a red nose and donated, helping us to raise £390. You have helped improve the lives of others and we thank you for your kindness.

Y3 Reminder from Mrs Dada

Next Thursday is Year 3's Egyptian Day. Pupils (and parents) are welcome to come dressed in Egyptian clothing. At 9.30am parents are invited to watch Yr 3 perform an Egyptian dance followed by activities in the class. Can each child please bring with them one full toilet roll and a £1 donation towards resources.

Thank you

PTA Easter Raffle

The Easter raffle is one of our biggest fundraisers so please get raffle tickets to the office by Monday for your chance to be in the draw to win a prize!

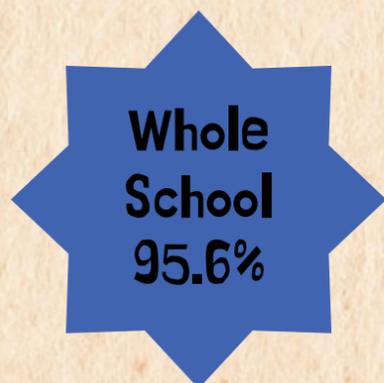

Final reminder - Thames Water works taking place- w/c23.03.26

Please be aware that from Monday 23rd March, Thames Water will be shutting Appleton Road for maintenance works. This will of course affect traffic around the surrounding area. We ask that you leave adequate time for your journey to school and if possible walk or park a few streets away to avoid the disruption. Thank you in advance
