

# STM Weekly Round Up

w/e 24.04.26

Dear Parents and Carers,

This week our classes celebrated St George's day. Children explored the story of St George, learning about his bravery and strong sense of doing what is right, even in the face of a great challenge, his courage reminds us of the importance of faith and trust in God, especially during difficult times. Children were encouraged to think about how St George's example can inspire us in our daily lives and how they can show these values in school by being kind, helping others and making positive choices. Also this week our art club marked Earth Day by creating pieces using recycled and natural materials, this activity encouraged creativity alongside an appreciation of how we can all play a part in protecting God's creation.

### Professional Photographer

We are currently looking for a photographer to capture 'a day in the life' at St Thomas More. These photographs will help us showcase the vibrant learning and creativity that makes our school so great. If you are a professional photographer or can recommend someone with experience we would love to hear from you. Please contact the school office with any suggestions or details. Thank you

### Celebrating Achievement

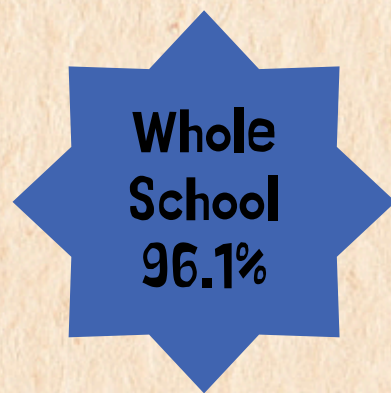

Congratulations to Zachary and Mateo whose team - Beacons FC - won 3-2 at the weekend, with one of the goals being scored by Mateo! They should be very proud of themselves and how well their team played, especially as it is only the 2<sup>nd</sup> time they have ever played in a match setting! Well done boys we look forward to hearing about you and your teams continued success!

### Coding Club

We are sad to report that our Monday coding club will no longer run due to poor uptake. Those of you that have signed up will be receiving a refund from Little Coding. Thank you.

## Weekly Attendance Figures - Congratulations Yr 2& Yr3!

Reception Class	95.3%
Year 1	96.6%
Year 2	97.3%
Year 3	97.0%
