

STM Weekly Round Up

w/e 05.06.26

Dear Parents and Carers,

Welcome back to the final half term of the academic year, we hope you all had a restful break and enjoyed the sunshine! Although we have only just returned, it has already been a busy and exciting start. As we head towards the end of another successful year, there is still plenty to look forward to, so please take a moment to make a note of upcoming dates listed below as well as referring to the newsletter that was sent at the end of last term that lists events up until the end of the term. We were delighted to welcome children and staff from Owls Nursery this week to enjoy a special assembly put on by our school choir. As you will know our Choir - run by Miss McGill - has the opportunity to sing at some wonderful events throughout the year. They do an outstanding job and it was important that the rest of the school share in the joy they spread when they sing. We enjoyed a medley of songs and the children had an opportunity showcase their talents. The performance was excellent and we are so proud of them, it was a joyful start to the new term!

Year 4 Class Mass

To celebrate their class saint, St Bernadette, Year 4 attended Mass together. They read beautifully and reverent. During the celebration, the children reflected on St Bernadette's faith, humility and trust in God, considering how they can follow her example in their own lives.

Celebrating Achievement

Congratulations to Louie, who last week helped his team, RGB Academy, win 3-1! The under 10's team played at Chelsea Football stadium - what a great experience, well done to Louie and his team.

Can You Help?

Have you recently had your garden renovated? We are looking for unwanted off cuts or lengths of decking that we could use at school. If you do have any we would be extremely grateful, please do pop in or phone the school office to let us know. Thank you.

Attendance Awards

Congratulations to the children who have shown improved attendance, they were celebrated in assembly and awarded with a certificate and pencil from Mrs Dada. Well done!

Budding Artists!

Congratulations to our art club members who created some wonderful Ocean pictures for the Young Artist competition. We are so proud to announce that ALL 25 entries have been chosen to be published in the book! The book is scheduled for publication in the summer and we can't wait to see it - well done and special thanks to Mrs Nguyen and Mrs Kent who run our club.
