

STM Weekly Round Up

w/e 18.09.26

Dear Parents, Carers and Families,

Thank you for your patience, understanding and cooperation with the changes to our end of day arrangements due to summer building works overrunning. Unfortunately these last minute changes could not be avoided, but as you will appreciate, the improvements are much needed and will make a wonderful difference to our outside area. We are delighted to now have a covered outdoor space with beautiful new flooring that will provide our Reception class with an even better environment to learn, explore and play. We are excited for you to see it when it is fully up and running. Thank you once again for your support as we work to provide the very best provision for our children.

Kind regards,
Mrs Collins

Reminders:

Communion classes: A reminder to parents that if your child is in Year 3 or above we invite you to enrol them in this year's upcoming First Holy Communion classes. This special program is not just a milestone for your child, but a wonderful opportunity for your whole family to grow closer to God and our parish community. To register your interest please speak with Father Richard when you next attend Mass. Thank you.

Respecting our neighbours: Can parents and carers please be respectful of our local community when parking around the school. We have received several complaints from neighbours that have been unable to get off their driveway due to inconsiderate parking. Please remember driveways should not be blocked and unsafe parking can put our children and other pedestrians at risk. We understand that drop off and pick up times can be busy but we ask everyone to be considerate, park safely and help us to keep our children, families and neighbours safe. Thank you.

Can you help?

We are looking for donations of dolls' houses, toy cars and garages, farmyard animals and stables for the children to enjoy during break times. If your children have outgrown any of these toys, we would love to give them a new home at school! Please ensure that items are in good, clean condition and not broken, so they are safe and ready for the children to play with.

Our Reception class are also looking for empty cable rolls, if you know anyone in the electrical or building industry that would be able to spare some we would be very grateful.

Congratulations to Red team who have received the most points this week and a huge well done to Year 2 who worked hard as a class to earn the most points this week!

Blue 213 Red 231 Yellow 210 Green 163

Most house points earned this week: Year 2

Congratulations to Rec & Yr 4 for best attendance this week!

Reception	96.1%
Year 1	87.0%
Year 2	97.1%
Year 3	99.1%
Year 4	100%
Year 5	94.4%
Year 6	96.7%
